Data compiled July 14, 2015.

* Ranking based on net openings/closings for the second quarter of 2015.

Ranking includes the companies with the most net openings/closings for the second quarter of 2015. In the event of a tie, all companies at the relevant net openings/closings mark were included in the chart.

In an event of a merger or an acquisition, SNL retroactively adjusts current-year openings/closings to the single, highest-level holding company.

[^] Total branches for the institution are pro forma for completed mergers and acquisitions and any branch openings or closings since the FDIC's Summary of Deposits data for June 30, 2014.

Branch openings and closings are limited to cases where opening and closing date was available.

Top-level ticker is based on the home country stock exchange of the highest traded entity within the corporate structure.

Excludes credit unions.
