Data compiled Aug. 23, 2016.

Most recent banks in organization = five most recent institutions that have filed for a U.S. bank charter and either received or are awaiting approval but have not yet been established or opened for business

Most recent de novo banks established = five most recent U.S. commercial banks, savings banks or savings and loan associations approved for a new charter and established. Excludes banks and thrifts formed under a holding company that existed at least six months prior to the filing date of a new charter or a holding company that had one or more pre-existing subsidiaries. Specialty banks and companies adopting new charters are also excluded from the list.

Hyphen indicates the institution has not reported a period of profitability.
