

Percentage of banks, thrifts under severe enforcement actions

Percentages

Map includes those operating banks and thrifts currently under a prompt corrective action directive, cease and desist order or formal agreement/consent order handed out by a federal regulator between Jan. 1, 2007 and Nov. 26, 2012. The map only includes those severe enforcement actions handed out to banks and thrifts not holding companies or credit unions.

Data is current as of Nov. 26, 2012.
